

Basic of Takaful Underwriting (TKF2031)

	IQIF Takaful	18 th - 19 th Feb	*Fee RM1,900
---	--------------	---	---------------------

About the programme

- This programme aims to guide the participants to the most important process of a takaful operation, i.e. underwriting. The participants will be exposed to the basic principles behind underwriting, the need for prudent underwriting as well as the factors to be taken into consideration during the underwriting process.
- This programme hopes to exemplify the roles played by an underwriter and how it interrelates with other functions within the organization will be elaborated at length.
- This programme will subsequently focus on the core steps of the underwriting process that each underwriter has to go through prior to accepting an application.
- This programme will also assist the participants in appreciating how risks are selected and accepted by an underwriter and how the roles of actuaries and retakaful operators come to play during the process.
- This programme will conclude with an elaboration on how regulations and guidelines help sustain a comprehensive and all-inclusive environment that protects the key stakeholders of the industry.
